THE PRESIDENT'S MESSAGE

We have justly ended our 12th year and as we look back, we are gratified for the great strides that have been made. We have come a long way from the first meeting held at Pappas Restaurant on December 16th, 1947, attended by the original group of 30 old timers.

Today, our membership of over 1200 covers practically every state and several foreign countries.

We have, at present, twelve chapters which are listed elsewhere in this Bulletin and several more are being formed. Your Executive Secretary will supply names and addresses of Chapter officers if you so desire.

That our Organization is successful is evidenced by the fact that our British cousins have taken steps to form a similar organization. "Our congratulations and Best Wishes to them."

To keep our Organization growing, we need your help. It is Your Organization, and we welcome any news of interest from you. Your Editor will prepare and publish our News Edition, but we must have news to make it possible. So, it is up to each member to keep us posted.

Again, let us welcome, this is Your Organization. Your comments, suggestions or constructive criticisms are welcome.

JOHN DU BLANE, M.D.
President
